

PREFERRED SUPPLIERS POLICY

The MIO D will negotiate with selected bona fide suppliers for free or discounted rates for services which the MIO D needs and in return will recognise the suppliers as Preferred Suppliers. Such negotiations will only take place in the context of a tender for supplies of services or equipment over the value of Rs 100,000 in line with our Procurement Policy.

The Preferred Supplier section on our website offers free advertising and promotional space to these suppliers. All materials must be approved by the MIO D.
